CS Ministry of Education

**Julius Migos Ogamba**

“Universities should embrace  
the use of technology to have  
positive and transformative  
impact”

Chancellor

**Dr. James Mworia**

"Your knowledge defines what you know. Your skill defines what you can do. Your mindset defines how far you will go."

Vice Chancellor

## **Prof. Joyce Agalo**

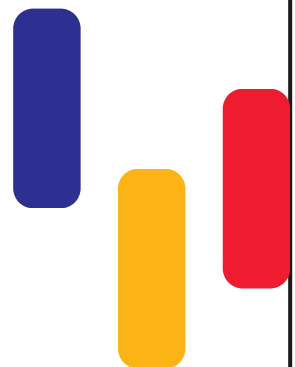

"You have successfully passed the theoretical stage and provided strong indicators of your potential. The external validation is complete. The permission slip is signed. Now, stop signaling and start building. Stop learning for the test and start solving the test. The world is your market go perform."

CEO, Acceler Global Logistics

**Mr. Peter Muthoka**

“Excellence is not about  
resources but about  
resourcefulness not about  
privilege but about purpose”
